Registration Fee Table

As Amended by the Final Rule of January 9, 2003

For registration years 1992-1993 through 1999-2000, the annual registration fee is \$300 for all registrants. Starting with the 2000-2001 registration year, the amount of the fee depends on whether or not the registrant meets the SBA size standard for a small business. Also starting in registration year 2000-2001 a registrant may submit a single registration statement for a one, two, or three year period.

A Final Rule published in the Federal Register on January 9, 2003, reduces the fees for registration years beginning with 2003-2004. In the table below, the fees for all registration periods that include one or more of these years reflect the reductions. A new fee category for "not-for-profit organizations" was also established by this Final Rule. A "not-for-profit organization" is an organization exempt from taxation under 26 U.S.C. 501(a). For multiple year registrations that include both 2002-2003 and 2003-2004, the "Small Bus/Non-Profit" column is to be used by a not-for-profit organization that, for 2002-2003, meets the SBA small business size standard for the NAICS code that describes the primary business activity of the organization; the "Not-Small Business/Non-Profit" column is to be used by a not-for-profit organization that, for 2002-2003, does not meet the SBA small business size standard.

Registrants whose SBA business size changed within a period for which a multiple-year registration could otherwise be submitted are advised to register for the years in which they qualified as a small business separately from the years for which they do not qualify as a small business.

All fee amounts include the appropriate processing fee.
